

# Mac Phillips

2806 Nueces St • Austin, TX 78705 • 817.600.7415 • macphillips@utexas.edu

## EDUCATION

**University of Texas at Austin, Class of 2023**

May 2023

Bachelor of Science and Arts in Physics and Biology

GPA = 3.5

- *Polymathic Scholars Honors College (15 hours of coursework with a senior thesis)*

## WORK EXPERIENCE

**Environment Texas** Austin, TX

May 2020 – Aug 2020

*Environmental Intern*

- Attended and reported on meetings of city and state government officials regarding environmental planning and policy
- Researched for and wrote blog posts regarding environmental issues, including solar buyback plans
- Performed outreach to garner public support for letters to CPS Energy of San Antonio

## COMMUNITY SERVICE

**Boy Scouts of America**

- As my Eagle Scout project, I assembled outdoor furniture for Methodist Mansfield Medical Center, a non-profit hospital in Mansfield, TX
- Volunteered to speak to the Mansfield public on the benefits of Scouting for the community and its youth

**Zeta Psi Fraternity**

- Organized and hosted an annual unofficial SXSW showcase for charity featuring a number of musical acts from across the country
- Led a toy drive through my fraternity for CASA of Travis County
- As president, led my chapter through the COVID-19 pandemic wherein we had a safe and successful rush semester while maintaining a total of zero COVID-19 infections among our brotherhood

## ACTIVITIES AND LEADERSHIP

**Zeta Psi Fraternity**

- Head Social Chair (Fall 2018 – Spring 2018)
- Head Rush Chair (Fall 2018 – Spring 2018, Fall 2021 – Spring 2021)
- New Member Educator (Fall 2019)
- President (Spring 2020 – Fall 2020)
- Actively pursue a number of chapter and culture improvements with success in areas of equal representation and augmenting our fraternity house
- Represented the UT Austin chapter at Southwestern leadership conferences in San Francisco and Kansas City, as well as at a president's conference in Pittsburgh

**Public Speaking**

- Spoke before the community on the topic of mentorship and personal growth at a Mansfield Speaks event
- Delivered a presentation about cutting-edge cancer treatments before members of the three CNS Honors Colleges at the University of Texas at Austin

**Other**

- Regularly played drums in the Austin's Pizza house band for the Severed Toe Variety Show pre-pandemic

**SKILLS**

- Proficient in using Microsoft Word, Excel, and PowerPoint
- Skilled in coding in R, Python, and vPython
